

REMARKS

In the Response to Restriction/Election Requirement which was filed on June 16, 2009, inadvertent typographical errors were made in the claim listing which was submitted therewith. In particular, on page 8 of the Response to Restriction/Election Requirement which was filed on June 16, 2009, molecule A79 was inadvertently crossed out. However, molecule A79 is included in the group which was provisionally elected with traverse, i.e., Group 3. Accordingly, claim 1 is being presented herein without molecule A79 crossed out. Moreover, claim 1 is being presented herein with "p-hydrxyphenyl" changed to --p-hydroxyphenyl-- in the listing for R⁷⁷, thereby correcting an obvious typographical error. Moreover, claim 10 is being presented herein to change "Compounds according to claim 2" to --Compounds according to claim 1--, thereby correcting an obvious error with respect to the dependency of claim 10 as claim 2 has been cancelled. Entry of the substitute claim listing submitted herewith is respectfully requested.

No fees are deemed due with this submission as it is being filed merely to correct obvious, inadvertent typographical errors in the Response to Restriction/Election Requirement which was filed on June 16, 2009, and as that response was fully responsive to the office communication which was mailed on March 17, 2009. If, however, any fees are deemed due, the Commissioner is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 08-2461. Such authorization includes authorization to charge fees for extensions of time, if any, under 37 C.F.R. § 1.17 and also should be treated as a constructive petition for an extension of time in this submission or any future submission pursuant to 37 C.F.R. § 1.136.

Applicants: Vrijbloed et al.
